Academic Year 2017 – 18

INSTITUTIONAL DISTINCTIVENESS

Campus interview

Different schools came for campus interview in our college for placement. All the students were encouraged and motivated to face the interview for their future benefits.

Maxine award

Projects were given to our college students as in the form of competitions around six groups did the projects based on the titles Healthy Nutritional Food and Tourist Places at Tirunelveli. Our students visited many places such as manimutharu dam, papanasam dam, kaliyaar dam and temples such as nelliappar temple, kandhimathi amman temple, krishnapuram temple, cathedral church, melapalayam mosque and other pilgrims. They have studied communal differences, religious differences and political differences found in the different places of Tirunelveli. The other group did the project in nutritional food area, phyco-nutrition, cholesterol free and balanced diet system with the help of special food such as beetroot dosa, carrot dosa, sesame seed ball and pottukadalai laddu.

Student Achievement

We obtained 100% Pass with First Class in theory and in practical's. One of our student recruited as a P.G. Assistant in the competitive examination conducted by Teacher Recruitment Board, Chennai.
